

PROPERTY VERIFICATION INSPECTIONS

The Millis Assessors' Office will be conducting cyclical, permit and sales inspections as required by the Department of Revenue to ensure we have accurate data on your property. The Assessor/Inspector will be in your neighborhood in the next few weeks to review the interior and exterior information. The inspections take about 20 minutes. If you are unavailable, a door notice will be left asking you to call or email to set up an appointment for an interior inspection. Exterior information will be reviewed when the door notice is left.

You can call or email to schedule an appointment prior to the Assessor/Inspector's visit. Appointments are scheduled between 8:30 AM and 4 PM, we will try to work with your schedule. Your time and cooperation are important and will be greatly appreciated with the verification process.
